Property Rules

Our riding program operates out of a Private ranch owned by Pete Walski. **No Dogs** are allowed onto the property. Parking is available next to the riding arena. Please do not drive into the ranch past the parking lot or drive up the driveway to the house. This is limited to owners/employees and deliveries only. THANK YOU in advance!

Payments

Payments are due at the time of your lesson or Monthly Memberships are due at your first lesson of the month. Please consider invoices a courtesy. Please have payment ready in the form of cash or check. If you have any questions regarding what you owe, please ask Tracy.

Cancellations

a. There is a **24-hour cancellation policy** to reschedule a missed lesson. If you cancel with less than 24-hours notice, or inadvertently miss your lesson, the lesson will be charged in full. Considerable time goes into planning lessons with instructors and reserving horses for riders, therefore it is the responsibility of the rider to come to lessons and be on time.

_____ (Initials)

b. In order to guarantee your riding day and time, you must enroll in the Membership Program and students must ride a minimum of once per week. If you must miss a scheduled lesson and give at least 24 hours notice, we save your day/time and you need to make-up the lesson within the month.

c. If you cancel with more than 24-hours notice, it is your responsibility to make arrangements to reschedule your missed lesson within the month, with any available

CLF Instructor. We cannot guarantee the time or availability for make-ups. Only 1 allowed per month.

- d. If you are paying per lesson “a la carte” and fail to show up for your scheduled lesson, you will be charged for that missed lesson at your next lesson.

Other

CLF is also a show barn and team. It takes a TEAM to operate smoothly. Tracy and riders/horses will sometimes be away at a horse show. In the event that this affects your lesson, every effort will be made to have another instructor for you. We will try to let you know at the beginning of each month which days/weeks will be affected. It is highly recommended that you ride with the other instructor, especially if you are a beginner. We have excellent assistant instructors! If you are enrolled in the Monthly Membership package, you are agreeing to ride with another instructor. If you desire to choose your instructor then you must purchase each lesson or the 8 lesson package and schedule accordingly.

_____ (Initials)

In the event your instructor cancels for any reason we will credit you or offer you a make-up lesson.

_____ (Initials)

I understand and agree that there are NO REFUNDS after the 1st lesson of the month is taken. Credit toward another lesson is only given if the instructor cancels on you.

_____ (Initials)

I understand and agree that there is a \$25 charge on all returned checks.

Weather Policy

Luckily we live in Southern California with beautiful weather almost year round. However, in the chance that we have rain or severe heat, we may have to cancel or move lessons. Typically if it’s pouring we are not riding that day or possibly for a few days after (we sometimes need time for the arena to dry). Please check in with Tracy for updates on lessons. During the summer we try to accommodate everyone’s comfort level by riding early or later in the day. On days where it’s hotter than normal (over 100 degrees), lessons may be cancelled. If below 100 we reserve the right to not allow for cancellations.

_____ (Initials)

Thank you for understanding and adherence to CLF’s Lesson Policies. They are put in place so that our horses can be properly cared for year round. It is a 365-day a year commitment ☺
