CANYON LAKE FARM TRAINING CENTER

Canyon Lake Farm Training Center is celebrating its 20th anniversary this year. Tracy Fincher started her training and lesson program in 2006. The focus of her program has always been and continues to be, creating a solid foundation in Equitation, and proper Horsemanship for children and adults alike. She teaches students with a positive attitude and an encouraging demeanor and never gives up on anyone. She has trained multiple breeds of horses in multiple disciplines, although her main focus has been the Arabian horse. Her training focuses on patient methods and creating trust between her and the horse. Some of her students and the horses she has trained, have gone on to become both Regional and National Champions.

CANYON LAKE FARM EQUESTRIAN CENTER

2026 will mark the 6th Anniversary of the Canyon Lake Farm Equestrian Center. Purchased in January of 2020, Tracy moved from Chino Hills to Redlands to establish her own Boarding and Training Facility. While there have been many obstacles along the way, she continues to make improvements to the property and create the vision she has for a functional and welcoming environment for horses and clients.
